## FLAGGING AND SPECIAL INSPECTION

**(New Rates Effective June 1, 2017)**

**FLAGGING REQUIREMENTS:** Flagging is required when people or equipment are working within the railroad right of way and have the possibility of fouling the track. Flagging is charged in blocks, with a minimum block of 8-hours. **Note:** If you schedule a flagger and do not cancel before they arrive on site you will be charged the minimum fee of an 8-hour period.

Flagging 8-hour period = \$788.00

Flagging 12-hour period = \$1,058.00

**SPECIAL INSPECTION:** Special inspection is required anytime work is conducted with the UTA right-of-way. There is a minimum of 2 hours charged per agreement to account for the Inspector's time to meet on site to discuss any safety or operational procedures that will need to be followed during the work, and to inspect the site after construction is complete. **Note:** Additional special inspections are charged in blocks of a minimum of 2-hours per inspection.

Special Inspection Fee = \$76.00/ hour
