

COMMITTEE ON ACCESSIBLE TRANSPORTATION

Fact Sheet & Membership Application

Purpose:

Utah Transit Authority (UTA) has created a citizen advisory group called the Committee on Accessible Transportation or CAT. The CAT provides an ongoing opportunity to advise UTA on accessibility issues related to facilities, services, equipment, plans and programs to assure non-discrimination for qualified people with disabilities. The CAT is established by a charter through the UTA Board of Trustees.

Membership Representation:

UTA's inclusive transportation services are offered to a diverse rider community and geographic areas. Involvement on the CAT is encouraged by individuals representing various race, color and national origins. Persons representing the following age and disability groups have specifically been identified as key to CAT membership categories.

- Cognitive or learning disabilities
- Mental illness
- Mobility impairments or physical disabilities
- Deaf and hard of hearing
- Blind or visually impaired
- Combinations or multiple disabling conditions
- Seniors (65 years & older)

Membership Eligibility

Persons must live within a county of the UTA service area: Box Elder, Weber, Davis, Salt Lake, Tooele, or Utah County. Also, only one family member may serve on the CAT at any given time.

Terms of Office

The term of office for a voting CAT member is two years. Members may re-apply for one additional two-year term. Former CAT members interested in serving additional terms may reapply for CAT membership after taking at least a one year leave from CAT membership. CAT membership years begins in July and ends in June the following year.

Meetings:

Meetings of the full CAT committee are held every other month on the second Monday of the month. Meetings last approximately 2 hours. Each member is also required to serve on one subcommittee which meets approximately once a month. These meets also last approximately 2 hours. **Attendance and participation at these meetings is very important. There are no excused absences. Resignation or removal from the CAT occurs after accruing five (5) absences from meetings in the membership year.**

Benefits:

Participation on the CAT has many benefits including the ability to make a positive difference, being able to network with others from the disability community, and, for CAT members in good standing, a month transit pass is provided.
