DO YOU STILL PAY YOUR FARE AT THE FAREBOX ON THE BUS?

No. Just like TRAX, MAX will have ticket vending machines at most stations. Riders will purchase tickets before boarding. They will not need to show the driver their fare and can board and exit at any of the three doors. The middle and rear doors also have exterior buttons to open the doors when boarding. If a station does not have a ticket vending machine, then riders can still pay at the farebox.

IF RIDERS DON'T PAY AT THE FAREBOX, HOW ARE FARES CHECKED?

As on the TRAX system, UTA transit police officers will randomly board and check fares.

WILL OPERATORS WAIT AT TIMEPOINTS?

No. Operators will leave the first timepoint on time and then travel as quickly as possible to the end of the route. Operators stop to let customers on and off the bus, but the operator does not keep a set schedule.

HOW WILL I KNOW WHEN THE BUS WILL COME?

For most of the day, service is every 15 minutes. At night and on Saturday, service is every 30 minutes. Approximate times are listed at the MAX stops.

HOW TO USE THIS SCHEDULE

Determine your timepoint based on when you want to leave or when you want to arrive. Read across for your destination and down for your time and direction of travel. A route map is provided to help you relate to the timepoints shown. Weekday, Saturday & Sunday schedules differ from one another.
