

NOTICE OF PROPOSED SOLE SOURCE PROCUREMENT
this is not a competitive bid/proposal

The Utah Transit Authority (UTA) Procurement Policy provides that sole source procurements may be used only when the Award of a Contract is infeasible under other source selection methods, and at least one of the following circumstances applies: (a) The required goods or services are of a specialized nature requiring expertise that is only available from a single source; (b) The public exigency or emergency for the required goods or services will not permit a delay resulting from competitive solicitations; (c) After solicitations of a number of sources, competition is determined inadequate.

The UTA Purchasing Department has received a request to make the following sole source procurement:

Product and/or Service to be purchased: Firing Board assemblies for the SD100/160 LRV's

Contract Duration: Single purchase of 10 sets of Firing Board assemblies and all parts needed for installation.

Proposed Sole Source Supplier: Siemens Industry

Estimated Total: \$135,950.00

Sole Source Justification: Siemens INC. has been identified as a "Sole Source vendor" for the following reasons:

Siemens is the original manufacturer, they are the sole owner of proprietary design and drawings for the Firing boards and structure. They possess the expertise and facility needed to install and source parts for this project. They also have the necessary contracts in place with outside vendors to manufacture and repair components and parts based on the original engineering design and specs.
