

NOTICE OF PROPOSED SOLE SOURCE PROCUREMENT
this is not a competitive bid/proposal

The Utah Transit Authority (UTA) Procurement Policy provides that sole source procurements may be used only when the Award of a Contract is infeasible under other source selection methods, and at least one of the following circumstances applies: (a) The required goods or services are of a specialized nature requiring expertise that is only available from a single source; (b) The public exigency or emergency for the required goods or services will not permit a delay resulting from competitive solicitations; (c) After solicitations of a number of sources, competition is determined inadequate.

The UTA Purchasing Department has received a request to make the following sole source procurement:

Product and/or Service to be purchased: Upgrade NEU Sand system controls to include new Siemens CPU & PLC Interface, and new PROFIBUS network to sand silo and all sand pumps at UTA's MRSC, Facility.

Contract Duration: **Until All Product is Delivered**

Proposed Sole Source Supplier: **NEU Inc.**

Estimated Total: **\$57,000.00 (Includes: Materials & Labor, Installation, Travel, Lodging)**

Sole Source Justification: NEU Inc. is the manufacturer of the existing equipment currently in use at MRSC. This upgrade only includes the control system CPU and components. It must interface with all existing peripheral components currently in use which are not being replaced. The programming and configuration of the control system is proprietary.
