

# Utah County System Map August 2018

## Fares

Since it's unsafe for bus operators to carry change, you must have exact fare, a token or a pass when you ride the bus.

## FOR FARE INFORMATION CALL RIDE UTA 1-888-743-3882

Monthly passes & tokens are sold at many locations throughout the valley. UTA offers you the convenience of ordering your bus pass by mail, with the option of using personal checks, money orders, VISA or MasterCard. A pass will be sent each month and billed to your credit card.

## Pass By Mail

Regular bus/rail riders know that a monthly pass is the most convenient way to pay the fare. UTA's Pass By Mail program is the most convenient way to get a pass - through the mail. When you order a monthly pass by mail we will send you a new pass each month and bill your credit card. Call UTA Customer Service at 801-627-3500 to get started.

## Where To Catch The Bus

Every UTA bus stop is identified by a blue bus stop sign. Occasionally there is a shelter and

sometimes a bench but there is always a sign. Benches do not mark bus stops, signs do, so if you sit on a bench, make sure it's next to a bus stop sign or the bus will not stop. Most bus stop signs list the routes that stop there. Park & Ride Lots throughout the transit system let you park your car all day for free and ride the bus to work and back. Look for the Park & Ride symbol on route maps to find a convenient lot.

## Where The Bus Is Going

The "Header" display above the windshield on the bus shows the route name and number. Window cards are sometimes used to tell you things like whether the bus is northbound or Southbound or its direction is east or west, and whether the bus is on a Limited or Express route with fewer stops. Our newest buses feature an electronic "Header" displaying a series of messages.

## Night Service

UTA has extended night service on selected routes until 11:00 pm. Check the following schedules for routing and times of service after 7:00 pm.  
821 - Southern Utah County/Provo Central Station  
UVX - Utah Valley Express  
850 - State St.

## Transfers

Transfers are available from the driver when you pay your fare. Ask for a transfer if you plan to continue your trip to another route. Upon payment of a fare, a transfer is good for travel in any direction, including return trip, for two hours until the time cut. The value of a transfer towards a fare on a more expensive service is the regular cash fare.

## Accessible Service

All buses are equipped with lifts or ramps and are accessible to those in wheelchairs or others unable to climb the steps. For information call 1-888-RIDE-UTA (743-3882)

UTA sponsors Curb to Curb transportation for Weber County residents.  
UTA Paratransit.....1-877-882-7272

Telephone communication for deaf/hearing impaired persons is available by dialing 711.

## Bikes On Buses

The Bikes on Buses service is available on all buses except Paratransit, Ski Service, Trolley and Route

## How To Get Schedule Information

With a system map and schedules, (available at many public facilities; shopping malls, libraries, grocery stores, colleges or universities) you can soon learn to get around the UTA system. The telephone is also an easy way to find out more. Tell us where you are, and where you want to go, and when you want to get there and we'll tell you when and where to catch the most convenient bus, where to transfer to another route (if necessary), and where to disembark. UTA's website is also a great place to get information, rideuta.com has many choices including a vehicle tracking system, so you can know where your bus is.

## How To Ride FrontRunner

### Paying Your Fare

- Purchase your ticket before boarding. Ticket vending machines are located at the entrances to the train platforms.
- Select the desired ticket, fare and method of payment and continue on to the platform to board the train.

### Riding the Train

- Please wait behind the yellow line until the train comes to a full stop.
- Doors close automatically after 8-10 seconds. Push the "open door" button to open again.
- Watch your step while boarding the train. There is a narrow gap between the train and the platform. Station hosts will be available to assist persons with disabilities by placing a boarding ramp between the train and the platform.
- Restrooms are located in the end car of each train.
- Bikes are permitted on the lower level of bilevel FrontRunner cars in the designated area near the exits.

### Train Safety

- Look both ways! Always expect a train.
- Walking on railroad tracks, or the rights-of-way on either side of them, is illegal.
- Cross only at designated public crossings.
- Crossing tracks with a stroller, if you use a wheelchair, or on other narrow wheels requires caution. Narrow wheels can get caught at crossings. Always cross at a 90-degree angle.
- Trains can move in either direction at any time. The locomotive is not always at the front of a train.
- Park and Ride Safety
- Please leave all valuables at home, or take them with you.
- Be sure vehicle doors are locked and windows are rolled up.
- Please report any suspicious activity to (801) 287-EYES.
