Pass By Mail
Regular Busch passengers receive a 5% discount on their pass. If you mail your pass by UTA’s Pass By Mail program is the easiest way to get a pass. Through the mail, you order a monthly pass and bill your credit card. Call Customer Service at 801-627-3500 to get started.

How To Get Schedule Information
For a system map and schedules, available at many public facilities, shopping malls, libraries, grocery stores, colleges or universities, you can use our service to get around the UTA system. The telephone is also an easy way to find out more. Tell us where you are, and where you want to go, and when you want to get there and we’ll tell you when and where to catch the most convenient bus, how to transfer to another route (if necessary), and where to disembark. UTA’s website is also a great place to get information about the current time, route status, next stop, transfer and boarding time, so you can confirm where your bus is.

Remember your fare based on when you want to leave or when you want to arrive. Read down for your pick-up and up for your drop off. Always read across as well as down for the time cut. The value of a transfer towards a fare on a more expensive service is the regular cash fare.
