

Uma needs help! She wants to find different ways to safely ride UTA. Using the clues at the bottom, can you spy the 5 different safe behaviors from these UTA riders?

What do you spy? Use these clues to find the 5 safety behaviors and draw a circle around them in the picture above!

After you circle all 5 behaviors, think of some answers to the questions below and write them down. Be ready to share your answers with a group!

1. What are 3 things Uma can see?
2. What are 3 things Uma can hear?
